A MESSAGE TO SENIORS

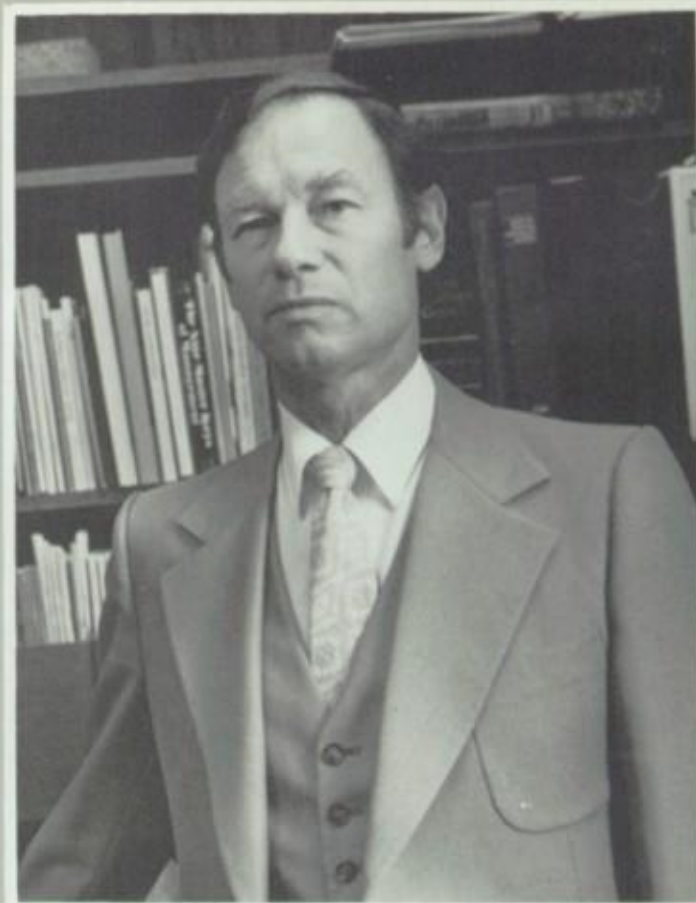

Class of 1983

It is my pleasure to be one of the many people to wish you well as you reach one of life's milestones, that is, graduation from high school. Commencement is, by definition, a beginning. You are about to engage another challenging, exciting, and potentially rewarding period. If your public school education serves you well, you will be able to cope with life's many trials and tribulations. A most necessary skill is the ability to change and adapt to change.

Cherish the friendships and memories of your years in the Kutztown Area Schools.

OUR PROBLEM SOLVERS

The Kutztown Area School District School Board is a ten member, elected, policy making body. The Board sets the administrative policies for the district following the Pennsylvania State School Code. Their other responsibilities include approving appointments, budgeting, and hiring personnel.

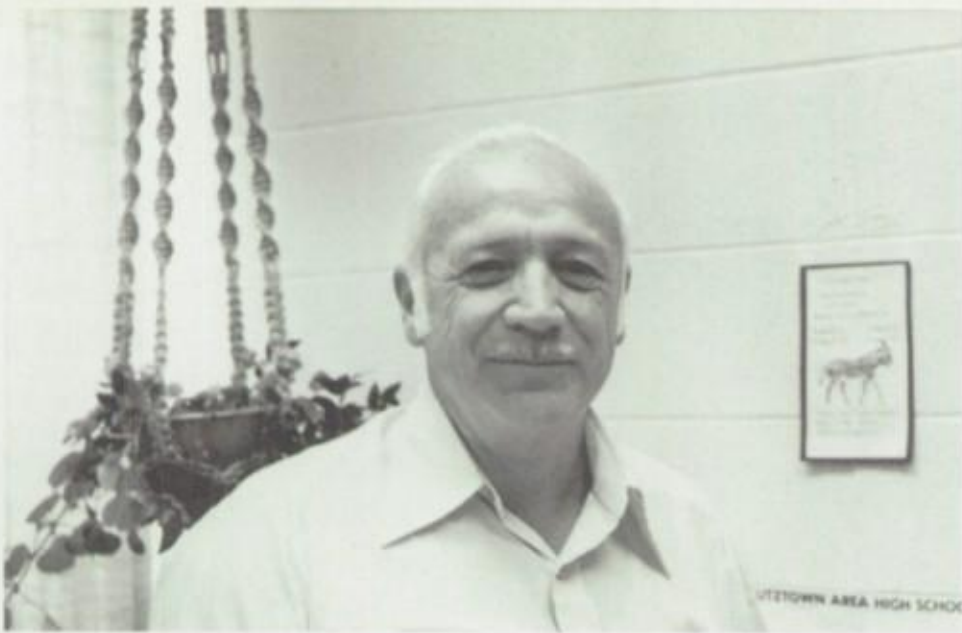

The Board members receive no pay for their

jobs and the monthly meeting is just a fraction of the time the job requires. The members work hard to maintain good public relations and to keep our district running smoothly and efficiently. We thank the members of the Kutztown Area School Board for putting forth their time and energy in order that we may receive a fine education.

Some Parting Words To Seniors

Mr. Alan Machamer - Principal
B.S. - Union College. M.Ed. - Temple University

Dear Seniors,

You have my best wishes for the future. You will inherit from us (the adults) problems the likes of which have never been realized by any other generation.

Each generation has looked upon their environment and its problems as much more severe than those encountered by the preceding generation. The problems which will confront you are man made, and if the problems are man made, so too are the solutions. You are our youth: energetic, enthusiastic, intelligent, strong, and tenacious.

All the problems can be challenges, and the challenges - opportunities.

A handwritten signature in dark ink that reads "Alan Machamer". The signature is written in a cursive style with a long horizontal line extending from the end.

Dr. Nancy Sterner - Assistant Principal
B.S. - Temple University. M.Ed. - Millersville State College. D.Ed. - Penn State

GUIDANCE

MRS. NANCY FULTON

What would our schedules look like without the help of Guidance to make them suit us? Mr. Viglione works with the freshmen and juniors, while Mrs. Fulton lends a helping hand to the sophmores and seniors. Together they work out the problems of scheduling and then work towards preparing and advising pupils' futures. With Mr. Viglione and Mrs. Fulton by our sides, we will be led the right way. And who do you go to when you have a problem with school? Of course, Mrs. Hershberger, our guidance secretary! She will always lend good avice and help you sort out those loose ends. Busy at work, Mrs. Hershberger encourages the students at K.A.H.S.

MR. JOHN VIGLIONE

MRS. SHIRLEY HERSHBERGER

NURSE

MRS. MARCIA FLEISHER

We owe alot of gratitude to Mrs. Fleisher for combating those aches and pains that inflict us all. She is busy all year doing hearing and eye tests, helping with physicals and bandaging injuries. Her friendliness and efficiency make our visits to the health room almost painless.

LANGUAGE ARTS

When it comes to knowing nouns, verbs, adjectives, and everything else about our English language, who's there to pull us through? K.A.H.S. has a group of exciting English teachers. Mr. Steitz guides seniors with American Musical Theater, Shakespeare and his charming smile, while Mr. Shaw tackles the problems of S.A.T.'s with juniors and inspires them with an Introduction to Poetry. Mr. Haring encourages sophomores, juniors, and seniors with his wit, and good jokes! And Mrs. Bodnyk, prepares freshmen for their high school careers with the help of Mrs. Cirulli who also helps out with sophomores.

With this fine group of teachers, K.A.H.S. students will be able to successfully deal with any problems of the English language!

Mr. Walker teaches Algebra II to the juniors. And then if students want a greater challenge, they can take Linear Algebra. Mr. Gougler aides in Trigonometry, Senior Math, Analytical Geometry and Calculus for the seniors. With all this for students to learn, it's good we have these fine mathematics teachers to sort out all those unsolved problems.

FOREIGN LANGUAGES

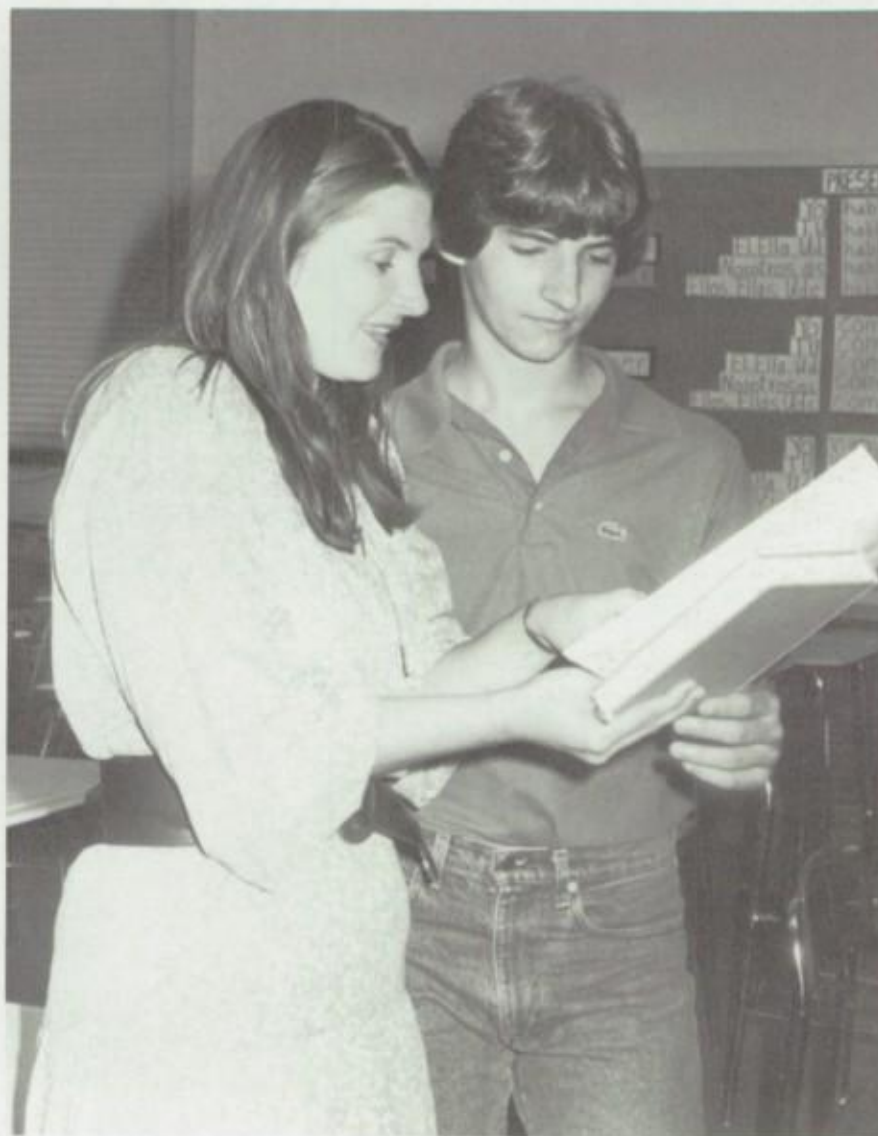

Students at K.A.H.S. are offered two foreign languages. German and Spanish. S nora Stump teaches Spanish and Frau Youse teaches German. In their classes students get the fundamentals necessary to understand and speak either of these modern languages. Beyond the fundamentals, they get a taste of foreign culture and learn about life in the Spanish and German-speaking nations. The result: an appreciation of life and living far beyond the borders of Berks County.

MRS. AMANDA STUMP

MRS. RUTH YOUSE

Mike gets a few pointers on pronunciation.

MUSIC DEPARTMENT

In another branch of the fine arts, music, we have three teachers: Mr. Huyett and his assistants, Mr. Drew and Ms. Webster, are the instrumental instructors, and Mrs. Noll is the vocal director. All four of these teachers strive to make music a part of everyone's life. There are many forms and styles of music, all of which are performed at K.A.H.S.

PRACTICAL ARTS

This year there was a new course offered to students at K.A.H.S. called, "Family Living." The teacher is Mrs. Hechinger. It deals with the life of the family and helps students understand the problems that may occur in present and future families, and solutions to those problems. Along with this course, Mrs. Hechinger continues to teach cooking and sewing techniques.

As usual, Mr. Smith teaches students industrial arts and Mr. Heimbach and Mr. Reinert teach students, interested in farming, everything there is to know about vocational agriculture.

Drafting is taught by Mr. Schaeffer. The basic drafting course is designed to teach students the basic fundamentals of the trade.

PHYSICAL EDUCATION

Mr. Burrows, Mrs. Dionisio, and Mrs. Erb bring us a variety of activities in gym class, such as flag football or field hockey, archery or soccer, gymnastics, square dancing or wrestling, volleyball or basketball, tennis or softball, and lacrosse or track and field. And when Mr. Burrows and Mrs. Dionisio aren't in the gym with whistles in hand, they are in the classroom, teaching health, keeping our minds as fit as our bodies.

MR. JAMES STROHECKER

MRS. REGINA FROMUTH

MRS. ANNA CURRY

MR. WILLIAM GLEDHILL

The library is a place where information flows. It is often congested with students from study halls paging through magazines, checking the latest scores or weather in the Morning Call, locating resources for a term paper or just browsing around the great selection of books the library has for us. The librarians are Mr. Gledhill and Mrs. Curry who are always there to help the students find what they need and keep the library as quiet as can be. If you've got a question, they've got the answer!

COOKS & CUSTODIANS

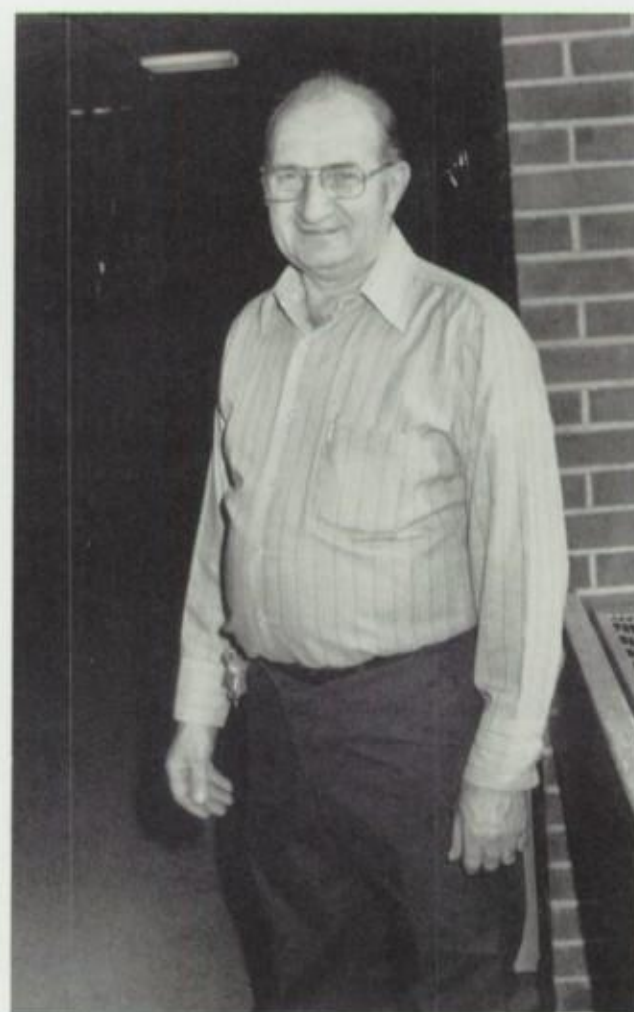

The period before lunch is always full of questions like, "What are we having for lunch?" And there's always something cooking. The cooks put in a lot of time and effort into making our food good to eat and nutritious, too! We appreciate all the good food and delicious desserts. We thank them for their hospitality and friendly faces. Keep up the good work!

Seated: Dorothea Boyer, Ruthann Luckenbill, Fern Kline, Sue Mertz. **Standing:** Delores Seyler, Leona Leiby, Lucille Bubbenmoyer, Fern Kerchner, Marion Bollinger.

Janitors are the busiest people in the school. From unlocking the doors in the morning til closing at night, which at times could be very late, they put in a long day on the job. Very few people realize how hard our janitors work to make our school one of the best. And we're especially happy to take this opportunity to recognize their efforts. We give our special thanks to all the janitors who put in their time for us.

Mr. Lester Kerchner, Head Custodian.

VO-TECH

Students at K.A.H.S. have the opportunity to enter one of Berks County's two Vocational-Technical Schools. There is an East Center in Oley which offers students programs in areas such as Agriculture Mechanics, Dental Assistance, and Machine Design-Drafting. The West Center, located in Leesport, offers programs such as Communications Media, Distributive Education, and Painting and Decorating. Vo-Tech is designed to introduce the student to various jobs and different opportunities. Classes are wide-ranged and allow the students to work with real equipment in a setting similar to that of the job he or she may pursue.

Loretta Bruno - Commercial Art

Tom Britzenhoff - Auto Mechanics

Scott Gladney - Electronics

Henry Adam - Carpentry

"Blood . . . yuck!"

"Two fingers down, three to go."

"Is that straight, or what?"

"I know it's in here somewhere."

"Let go of my tongue."

"But Julie, maybe a mowhawk won't look quite right."

D.O.E.

If you happen to see a Kutztown High School senior at McDonalds during school hours, he's probably not cutting out of school. Most likely, he's involved with the DOE program. This program, Diversified Occupational Experience, allows interested seniors to attend school half a day and then go to work for the other half. The places of work range from restaurants to factories and many more. This program gives seniors a chance to see what the working world is like before they graduate. Eleven students participated in it this year. DOE is a fantastic program and just another of the many opportunities Kutztown students have to choose from.

Lori Raub - McDonald's, Trexlertown

Cory Swisher - Acme, Kutztown

Kyle Olinger - Olinger's Esso, Fleetwood

Glenn Leibensperger - Dutch Kettle

We thought this day would never arrive.

There Is A Perfect Time
To Launch A Dream,
To Build A Memory,
To Find A Friend,
To Work, To Play, To Love . . .
And That Time
Is Always Today.

These are the times we'll always remember.

We appreciate the knowledge we're gaining . . .

. . . even though it gets tiring at times.

Take a few moments to learn something new.

Any Time's The Right Time For Learning Something New.

When You Have A Dream Don't Let Anything Dim It,

keep trying,

keep hoping,

the sky is the limit!

Time to build a memory

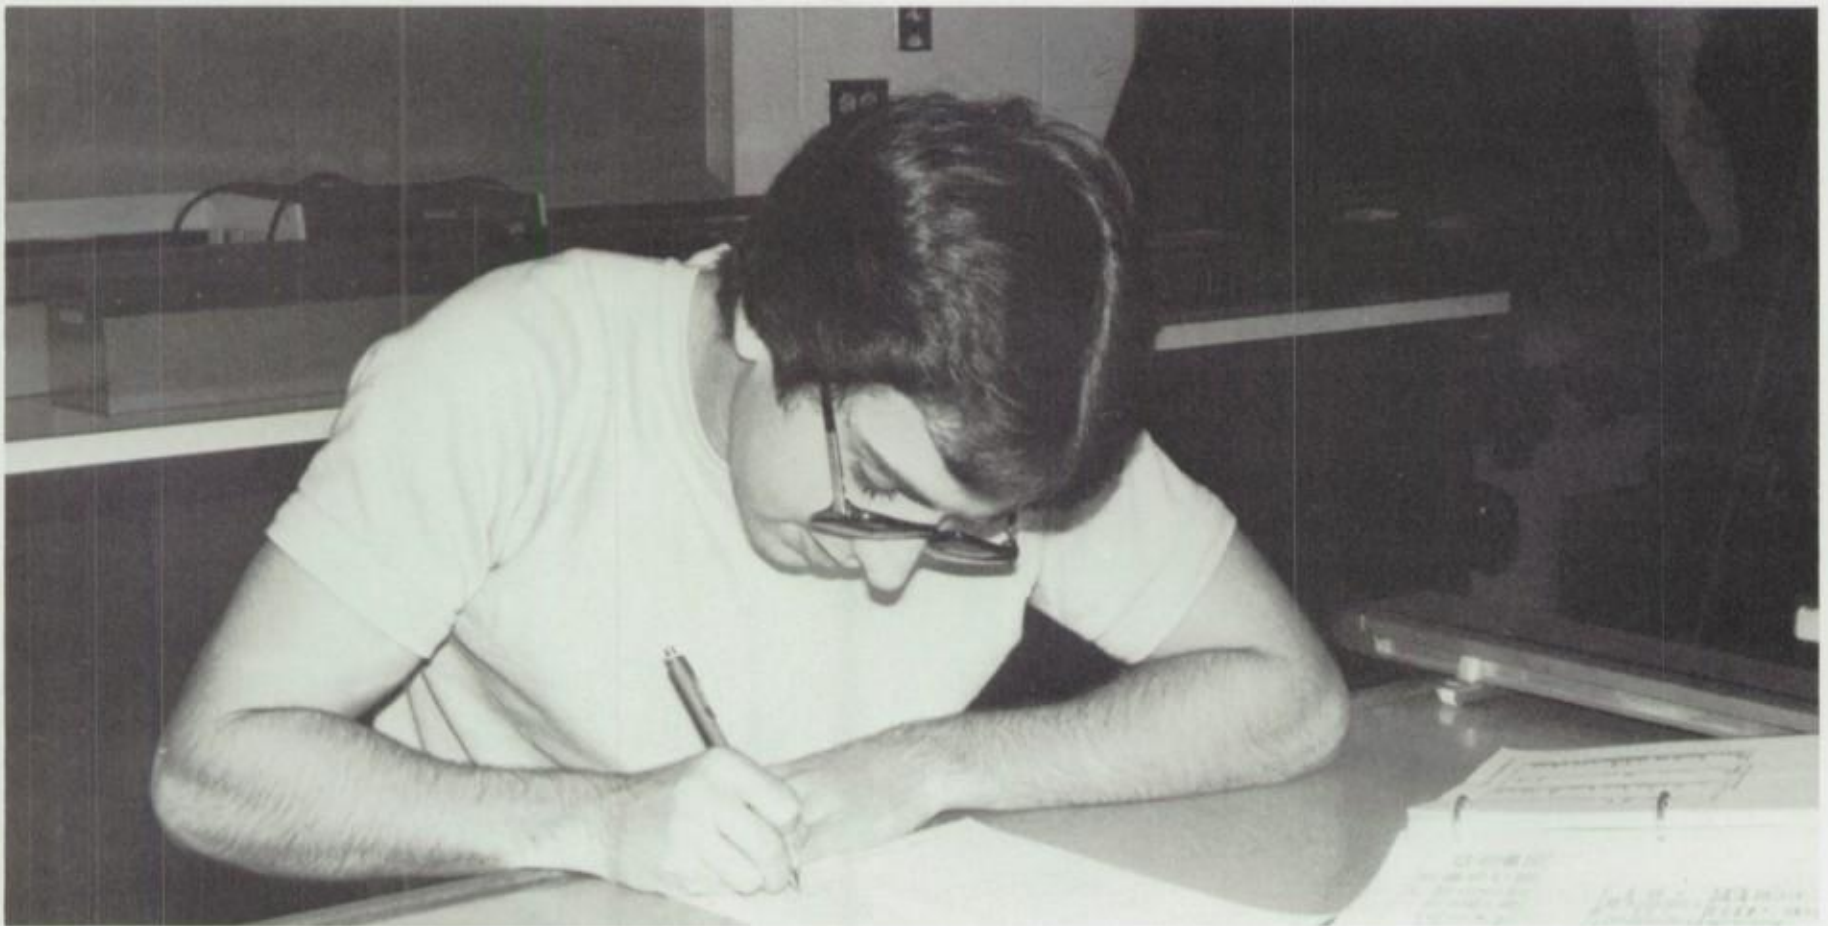

Time to find a friend

Time to work, to play, to love

There Is A Perfect Time To Launch A Dream, And That Time Is Today.

Success Is A Balance Of Hard Work And Talents.

Finished at last!

Some of us work harder than others.

We practiced this play hundreds of times.

Sometimes we help each other.

Other times we help ourselves.

Sometimes we're helped by teachers.

There Is Much That I Have Yet To Learn And Much That I Can Teach.

The Important Thing Is To Not Stop Questioning.

But how?

But why?

But not again?!

A comfortable position

A helpful smile

Friends between classes

Today's Good Times Are Tomorrows Memories.

To Be Happy, Think Happy!

A moments hysteria

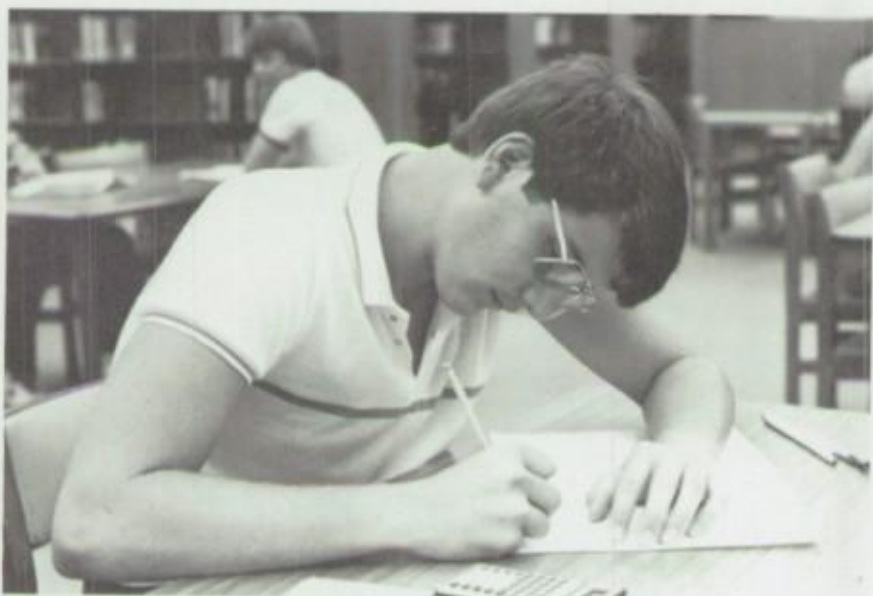

A pleasant thought

A friendly smile

What shall I build today?

I thought I'd never understand this.

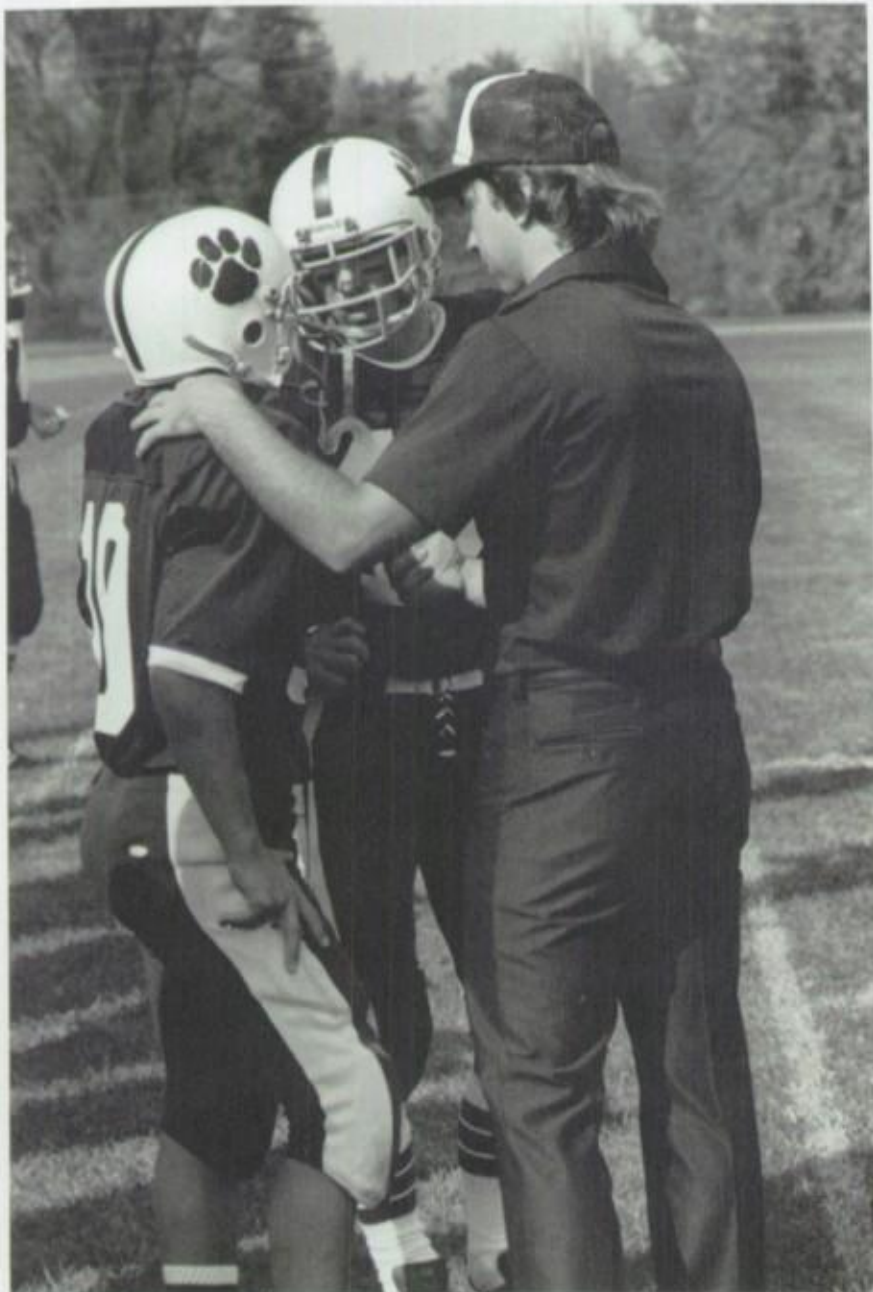

Entering a world of possibilities.

I Awaken Each Day A New Person, Alive To New Possibilities.

Practice And Determination Make A Winning Combination.

Words of encouragement from a coach.

A feeling of pride from working with your hands.

Moving in for the goal.

The excitement and anxiety of homecoming day.

If you dream hard enough it can happen.

We know we can win!

Believing Is The Beginning Of A Dream Come True.

ACTIVITIES

YEARBOOK STAFF

The yearbook staff is made up of voluntary members. There are actually three staffs involved in creating a good yearbook. The first staff is the layout staff, directed by Mrs. Ziegler. They are busy every Monday and Thursday after school reviewing all the pictures that the pesty photographer roaming around the school has taken, deciding which pictures go where, and designing the pages.

The second staff is the copy staff. They write the articles for the yearbook and then their adviser, Mr. Haring, checks them. Getting assignments in by deadlines can be difficult sometimes but they always seem to manage.

The last staff is the business staff, also under the direction of Mrs. Ziegler, who types up all the written copies and put them into a form that the publishers can understand. They also handle all the finances. If all these staffs work properly, presto! We have a yearbook!

Layout Staff; Lisa Haas; co-editor, Martha Fenstermacher, Karla Kemp; Business Editor, Amy Sunderland, Gretchen Conrad; co-editor, Helene Heffley.

Getting articles typed on time brings out the worst in us!

Copy Staff; Kay Flicker, Wendy Schonely, Mr. Haring; Advisor, Pam Trax, Holly Kaehn, Kim Guildin, Martha Fenstermacher.

Susan Adam; artist, Mrs. Ziegler; Layout & Business Advisor, Sunil Gupta; staff photographer, Mike Schwoyer; Art Editor.

There's more than one way to get deadlines in on time!

ANNOUNCEMENT TEAM

What better way do you know to start your school day than with the morning announcements? Each morning at 7:55 a host of students start our day with the Pledge to the Flag, and also keep us informed of upcoming events at K.A.H.S. From the scores of last night's game, to the time of the next committee meeting, to the date of the coming holiday dance, our intrepid announcers keep us informed. And occasionally they'll even have time for the latest in recorded music or humor. Through their efforts our days seem to start off alot better.

NATIONAL HONOR SOCIETY

On November 22, 1982, one senior and 20 juniors were inducted into the Alpha Chapter of National Honor Society. These students, with 19 current senior members, have successfully demonstrated the qualification standards of Scholarship, Character, Leadership, and Service in their high school careers. Under the guidance of Mrs. Nancy Fulton and Mr. John Viglione, the group worked together in several events. We congratulate these students for their outstanding achievements.

A new face on the scene is the Future Homemakers of America. It is an organization that helps in the area of Home Economics. According to Mrs. Hechinger, this year has been better than expected. They've had a toy drive for the Berks County Intermediate Unit. They hope to help out again later in the year.

Fox and Lisa Hummel directed the rifles. Wendy Schonely and Karen Schumaker led the majorettes while Kelly Heffner dazzled the crowd as our feature twirler. Leading the band was our honor guard with captain Karla Kemp. These groups rally together to form one of the finest band fronts around.

Band

This year the band, led by Mr. Huyett and Mr. Drew, marched in the annual fireman's parade at Hamburg then rushed to the Kutztown High football field to perform a special half-time show for Homecoming. Along with the marching band, the

concert band also did a fine job in both their concerts. All in all, it's been a great year for the Band. The students at K.A.H.S. can always rely on the band to do a fantastic job when representing Kutztown Area High School.

Pick a jazzy beat, and mix it with drums, saxaphones and a bass section. Put a swinging director up front and you'll have a jazz band. The Kutztown High School Stage Band, or Jazz Band, under the direction of Mr. Huyett, performs for many of our special occasions. They entertain at assemblies, concerts, the Senior Class Variety Show, the Rotary Club Variety Show, and they take part in competition during their spare time, where they usually receive marks of excellence. This fine group of talented musicians keeps the beat fast and moving, and always makes a foot start tapping.

The true spirit of basketball!

Who can ever forget the national anthem being played at the beginning of each home basketball game by our own Pep Band? The Pep Band members are a group of devoted volunteers who help encourage school spirit and enthusiasm at all our games. There is also a football Pep Band which puts forth the same effort at their games. Playing a variety of songs during half time, the Pep Band creates a feeling of excitement in the supportive fans. Thanks to the groups for their successful efforts at keeping our spirits high!

SENIOR VARIETY SHOW

"Everything you've always wanted to know about awards but were afraid to ask" was the title for the class of 1983's variety show. Under the direction of Richard Huyett and emcee Lisa Haas, the seniors who participated worked hard for three months trying to get everything perfect for the nights it was to be performed. It all paid off because the show was a great success. It opened with two dance numbers and was

followed by acts for the Richard Simmons Show, a teacher impersonation act, singers, dancers, comedy acts, commercials and much more. The show closed with a competition between the Go - Gos singing "We Got the Beat" and the B'52s singing "Rock Lobster" starring Steve Lobb himself. The show was a lot of fun and showed that the Class of '83 has a lot of talent!

"Who's on first?"

The B-52's strike again!

Sing along with the seniors!

Double trouble.

"For \$5.00 you can receive this wig!"

The Kutztown High School Quiz Bowl Team has completed its third year of intramural competition. The highlight of the year's activities is participating in the annual Lebanon Valley College Quiz Bowl in March. This past year our team finished 22nd out of 53 high schools competing there. The team also participates in the newly founded "Academic Challenge" sponsored by the Berks County Intermediate Unit. An assembly in which eighth graders from the Junior High School are introduced to Quiz Bowl and the team matches wits with a junior high school faculty team was added to this year's program. This year's "starting lineup" included seniors Brendan Strasser, Dustin Schappell, and Denise Lantz, juniors David Himmelreich and Chris Cadwallader, sophomores Kirk Marks, Kirk Marple, and Sanjiv Gupta, with Sunil Gupta as alternate. Other club members were Kelly Heffner, Chris Law, Chris Laincz, and Greg Miller.

OUR JUNIOR MISS

On the evening of October 2, 1982, Christine Lee Brett represented K.A.H.S. as our Junior Miss. Prior to the pageant she was interviewed and evaluated on her scholastic achievement. The girls were also judged on youth fitness, poise, appearance, and talent.

Christy took everyone's breath away as she sang the popular song, "My Heart Belongs to Me" by Barbara Streisand. After a brief intermission, the Junior Miss candidates dazzled the audience with an evening gown competition. Christy looked stunning in a beautiful white gown, very much to the audience's approval. When the final moments came to find out who won the pageant, Christy was announced the third runner-up which was a great honor.

Christy said that even though the pageant was a lot of hard work, she met many good friends that she'll treasure forever. Christy Brett is a very talented and kind person and the members of K.A.H.S. would like to thank her for a job well done!

Elementary Aides help the teachers in the elementary school by doing little jobs for them and helping children. Library Aides help the librarians by checking out books and shelving them. Audio Visual Aides help deliver equipment to teachers, clean equipment, and take care of the Sound System. All of these aides deserve many thanks for volunteering their services.

The Boys Cross Country Team finished the season with a league record of 4-6. This record placed them fifth in Division II of the Berks League. They were small in number and many of the meets were close. The team, coached by Ken Sanders and Mr. Haring, finished ninth at the Berks County Conference Championships and twelfth at the P.I.A.A. District III Championships. The Cougar runners were led by seniors Kevin Berger and Terry Donat. Kevin had an outstanding individual accomplishment by finishing 22nd at the P.I.A.A. District III Championship run. This qualified him for the P.I.A.A. State Championships at Lehigh University where he finished 136th.

The Girls Cross Country Team, coached by Ken Sanders and Mr. Haring, was led by seniors Liz Sanders and Holly Kaehn. Kay Flicker, Lisa Gray, and Jama Winkler rounded out the top five runners. They had a 3-7 league season due to many illnesses and injuries among various members throughout the season. The team finished ninth at the Berks County Conference Championships and tenth in the P.I.A.A. District III Championships. Holly Kaehn ran her best race at the P.I.A.A. District III Championships by placing 16th. The team held together through a hard season even though the squad was small. Fortunately, very promising runners are returning for the 1983-84 season.

the 1982 Football season was a season of ups and downs. Although the team finished with a 1 - 10 record, they played better than their record shows. The 30 - man squad was made up of mostly sophomores and juniors, with just four seniors and a small group of freshmen. The four seniors leaving the team are Pat Cronrath, Mike Fink, Dana Keim and Scott Werley. This will leave the team with fifteen lettermen returning next year with many of the skill positions filled by personnel who have lettered during two years. We'll enter the 1983 season with high hopes and expectations!

HOMEcoming

The homecoming festivities actually started on Friday, October 8 with a delicious spaghetti dinner, followed by a pep-rally, and then a dance.

We couldn't wait for Homecoming Day, but it finally arrived. Even though our football team was losing a rough first half to Hamburg, the band livened our spirits during half-time. Also, during half-time our Homecoming Queen was announced. Lisa Ely, escorted by Tim Sievert, was crowned our 1982 Homecoming Queen. Lisa was crowned by last year's queen, Lois Hummel. The other candidates were Cindy Hartranft, Mitzi Hoppes, Susan McGuigan, and Elizabeth Sanders. Congratulations girls! The weekend was hectic but lots of fun- just what you would expect from Homecoming.

Cheerleaders

Cheerleaders play a very important part in the schools activities. They are responsible for pep rallies, dances, painting signs, spirit week, and best of all, going into competitions to honor our school. This year the Basketball Cheerleading Squad entered the Berks County Cheerleading Championship and won second place in the pom pom division. Our cheerleaders put alot of time and effort into all they do to keep our schools' spirit number one. We would like to thank the cheerleaders for what they have done throughout the school year. Best of luck next year, girls!

BOYS' BASKETBALL

The 1982-83 Boys Basketball Team was coached by Art Luptowski and Bill Cassium. Their overall record was 10-16. The team was very young, having three starting sophomores in the lineup. Rodney Sell and Jarrod Heffner were team captains and led the Cougars in a fine season. The

Cougars were very competitive in their division and have built a good base for next year. They were eliminated in the first game of districts after playing tough throughout the season. This was a rebuilding year for the Cougars and they have created a promising future for themselves.

This year's girl's basketball season was a huge success (which seems to be becoming a habit). The captains for the team were seniors Stacey Jack and Amanda Sharp. The team record was 29 wins and 4 losses. The team was undefeated in regular league play. Stacey Jack had a total of 2034 career points! This fabulous total is the Berks County all time scoring record! She also had an excellent foul shooting percentage of 88 percent. Stacey was a member of the all county and division all star teams. Amanda Sharp and Stacey Fegely were members of the second team. Coach Lengel and Assistant Coach Dionisio led the team to a winning streak of 36 straight home wins over the last three years. That is quite an accomplishment. Way to go girls!

The team consisted of six seniors. They were Stacey Jack, Amanda Sharp, Lisa Nilles, Leslie Behm, Cindy Hartranft, and Karla Kemp. Sophomores Louise Schmoyer and Stacey Fegely were a big contribution to the team.

Congratulations to the team for being Division 3 champs and County champs, as well as earning the District 3 runner up spot. They moved onto State competition but lost in the Eastern Semifinals. Congratulations to the team for a sensational season!

The 1982-1983 edition of the Kutztown Area High School girls' tennis team upheld the standard set by their predecessors. The team won their fifth consecutive division championship with a record of twelve wins and no losses. The over-all record was thirteen victories against two defeats. (Both defeats were administered by Wilson High School in the county championship match and in a pre-season match.)

The three seniors on this year's team - Michele Zimmerman, Karin Ford, and Lisa Nilles - were all varsity letter winners. In league matches Michele experienced only one loss as our number-one player. Lisa was undefeated at the number-four position.

A number of promising underclassmen supplemented the efforts to the seniors. Tina Rauch, a sophomore, played at the number-two position and experienced only one league loss. Denise Heffner, a junior, was undefeated at the number-three spot. Sue Wood and Bridget Foster, sharing the number-five singles position, will be back next year as will fellow juniors Diane Wartzenluft, Leslie Stump, Renee Haring, Stephanie Fox, and Elisa David. Chris Schearer, a sophomore, played strong doubles. Freshmen Carla Scanzello, Brenda Seidel, Amy Wessner, Jody Wessner, and Leslie Sonday demonstrated good potential.

Michele demonstrates number-one form.

Lisa, undefeated this season.

Denise, an excellent junior class player.

Tina shows her winning form.

Keep your eyes on the ball, Bridget!

But where's the ball, Sue?

WRESTLING

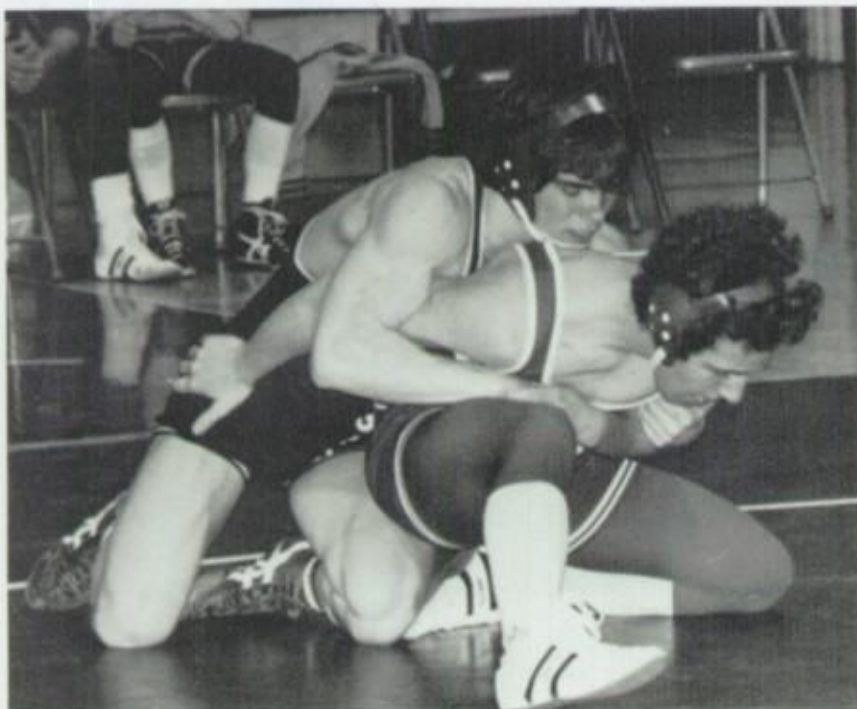

The 1982-83 wrestling season was one of surprises and disappointments. This young squad was faced with the task of rebuilding. Nine starters graduated in 1982, leaving nine weight classes to fill. This is quite a void to fill under normal circumstances, but the starters that graduated were quality wrestlers. This made the task even more difficult. Coach Burrows hoped this team could fight to a .500 season to maintain the wrestling respect Kutztown athletes enjoy. Under the leadership of captains Dean Krumanocker and P.J. Paterson, they grappled to a 13 and 5 season. This was a pleasant surprise to Coach Burrows and the new

assistant coach Marc Longenhagen. Youth and inexperience took their toll at the sectional championships. Only four of the eleven wrestlers competing managed to advance to round 2 of regional competition. Although this was disappointing to coaches and wrestlers, the majority of the losers were underclassmen. As we look to the 1983-84 season it's quite possible some of the losers will become winners. Does this mean the 1983-84 season should be a delight to wrestling fans? You bet it does! Good luck to our fine seniors-Dean, Glen and P.J.

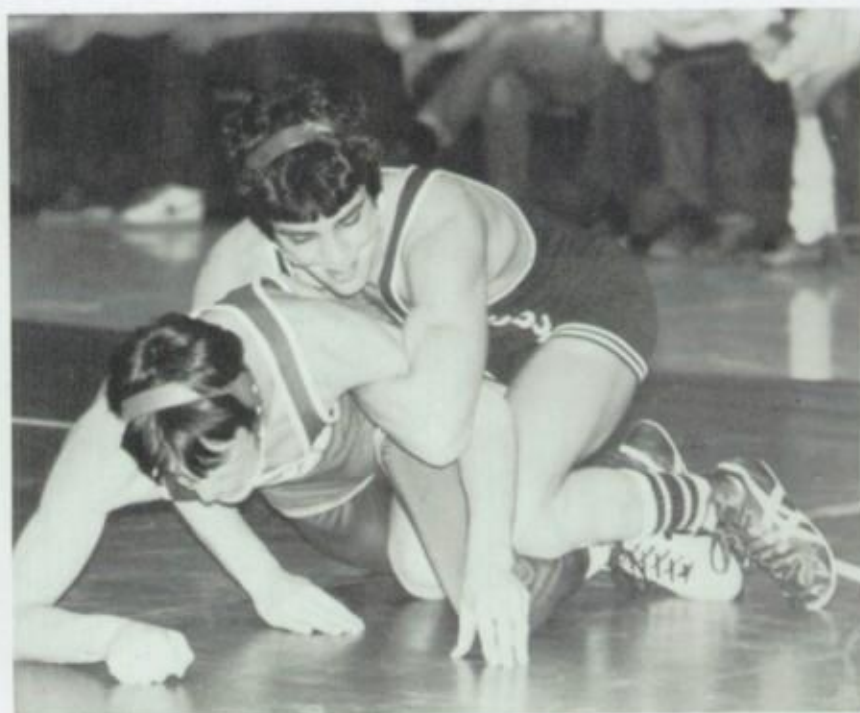

Row 1; Mike Bailey, Drue Siegel, Troy Graff, Phillip Schaffer, Bryan DeLong, P.J. Paterson, captain; Eck Thongin. **Row 2;** Bernadette Plasha, manager; Coach Longenhagen, Steve Bodey, Mike Spilotros, Tony Zawada, Todd Bau-

man, John Carl, Dean Krumanocker, captain; Paul Sewell, Glen Leibensberger, Billy Nilles, Coach Burrows, Beth De-Turk, manager.

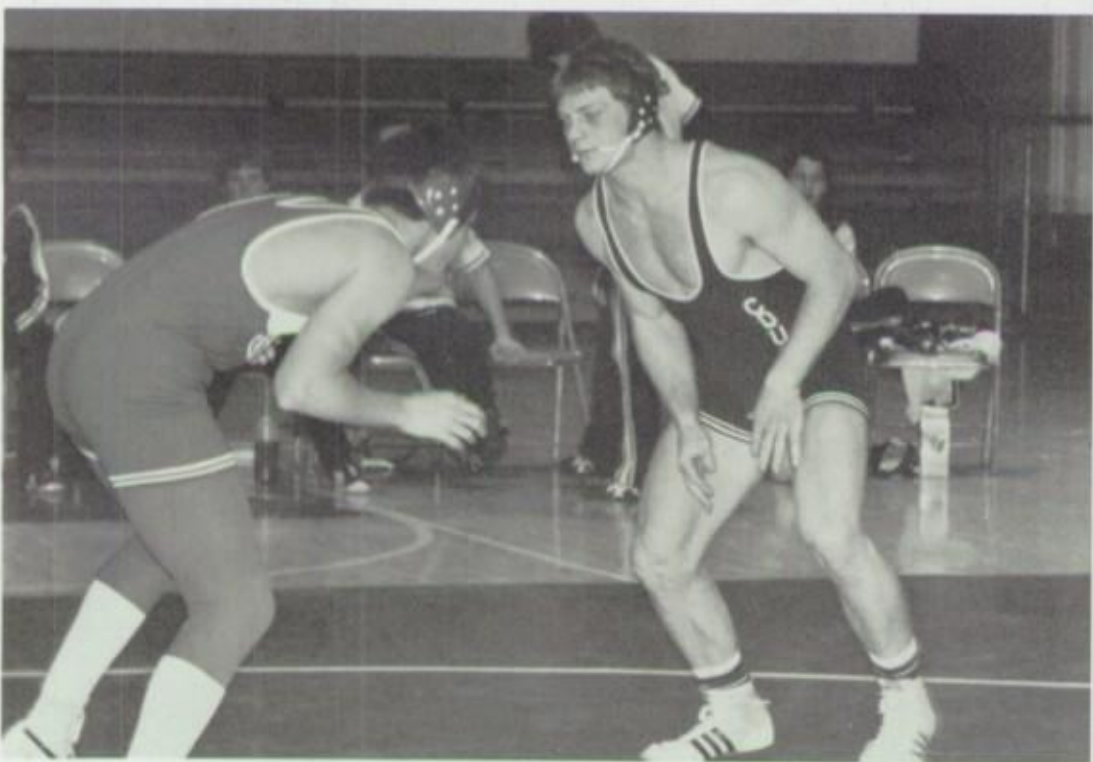

Senior Glen works for a pin.

Junior Mike pushes his opponent to the limit.

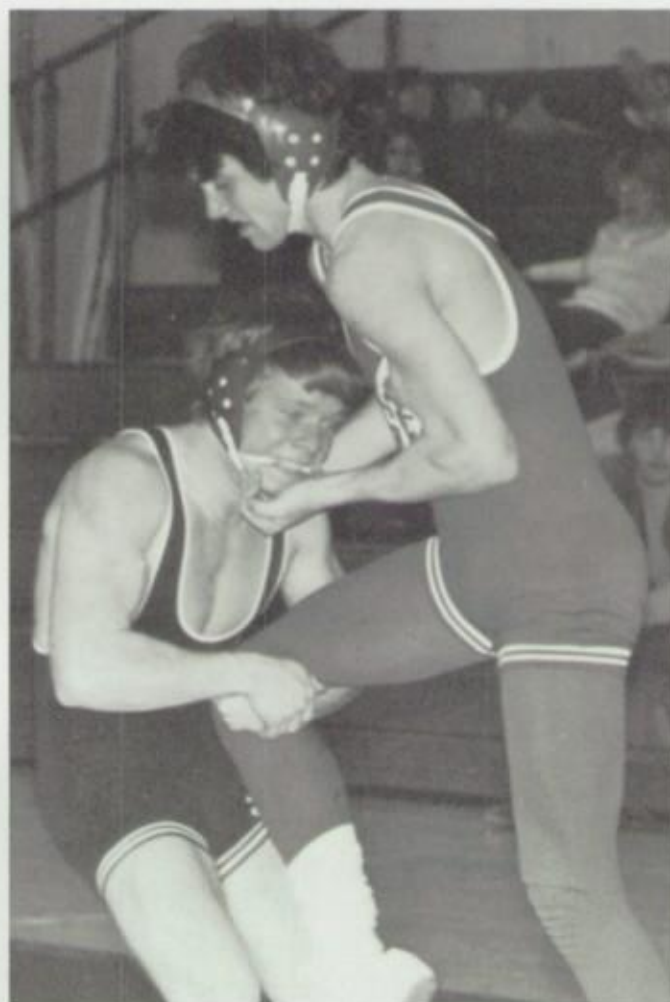

Please don't squeeze the Charmin!

Go get him Todd!

Paul tries to break down his opponent.

What's wrong Drue?

The Kutztown coaches look on.

"Roll him over, show him the light!"

GOLF TEAM

Row 1: Todd Reinert, David Sanders, Troy Berger, David Frey, Timothy Reinert. **Row 2:** Kip Bucks, Richard Hershberger, Matt Grider, Shane Kern, Joseph Lauro.

The 1982 season was filled with team success and individual achievement. The team compiled a fine overall 11 and 3 record, a 9 and 2 league record, tying Hamburg for first place in our division. Hamburg defeated the Cougars in a play-off to represent the Eastern Division in the county championship.

Kutztown was proud to have senior Rich Hershberger, juniors Matt Grider, Shane Kern, Kip Bucks and sophomore Guy Landis represent our school in the individual county championships. Rich, Matt, and Kip advanced to the final round with Kip finishing fourth and Matt sixth in the county. All three earned a spot in the District III tournament held at Hershey. Kip and Matt advanced to the second round of District III competition.

On October 7, the team shot a 395 against Schuylkill Valley for the best home score of the season. The Cougars defeated Northern Division champion Fleetwood on September the 8th with a score of 367 at Pleasant Hills for the best away match of the season.

The 1983 season looks to be promising with the loss of only Rich Hershberger from this year's team.

Matt demonstrates his winning form.

RIFLE TEAM

Our straight-shooting Rifle Team works all year long! In fact, the printer's deadline caught us in the middle of their season without a story. So you'll just have to be patient. Good things take alot of time, and Mr. Sheaffer, their coach, is promising that this year's Rifle Team will be one of the best! When their season ends, sometime in late June, he figures they will be champions. Be sure to check out the spring supplement to verify his prediction and to see the results of their hard work.

GRADUATION 1983

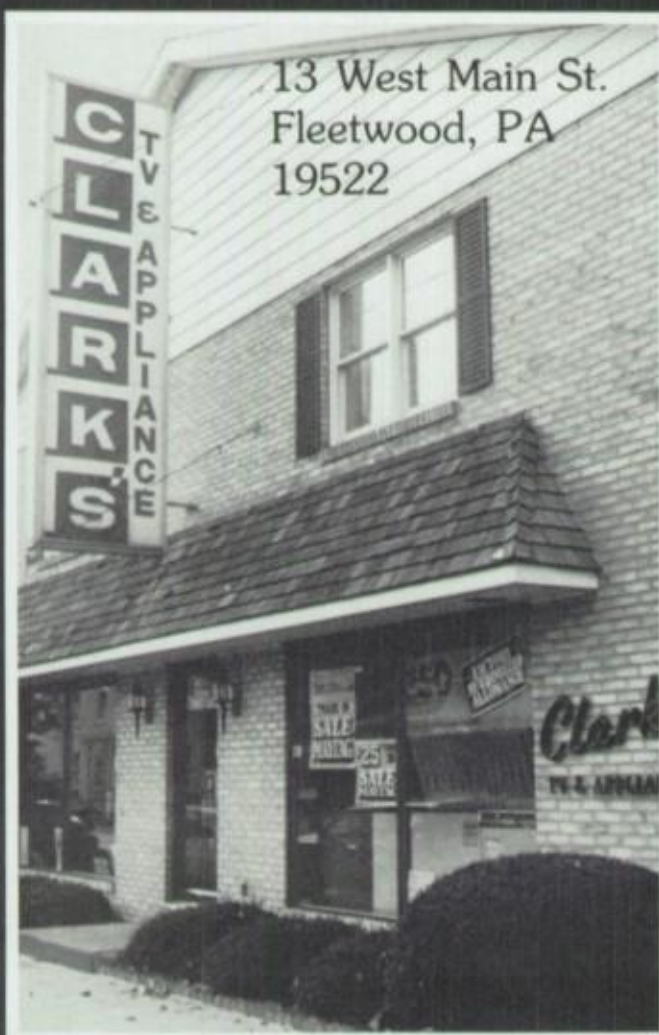

EXPERIENCE TEACHES—It is not enough to have books, or to know where to read up for information when we want it. Practical wisdom for the purposes of life must be carried about with us, and be ready for use at call. It is not enough that we have a fund laid up at home, but not a cent in our pocket; we must carry about with us a store of the current coin of knowledge ready for exchange on all occasions, else we are helpless when the opportunity for action occurs. The experience gathered from books is of the nature of learning; the experience gained from actual life is of the nature of wisdom. A small store of wisdom gained from actual life is worth a great deal more than any stock of the former . . . book knowledge.
